Looking to Advertise??

In the first part of September 2007, Metcalfe-Harrison Neighborhood Association unveiled a new neighborhood website, www.metcalfe-harrison.org. This website is a new way for the neighborhood to distribute information quickly and more cost effectively - as well as a great opportunity to spread word about your business!! The website contains such items as:

- Current and Past Newsletters
- Links to Neighborhood Resources
- Business Links
- Committee Details
- Volunteer Forms
- Neighborhood Watch Newsflashes
- Meeting Agendas
- Upcoming Events
- Membership Forms
- Email Subscription

Level 1

By signing up for a business membership, the business is showing their support of the neighborhood. All business memberships get a link on the “business members” page on the website and be listed in the newsletter. The link can hyperlink to the business websites or provide 1-2 sentences about the business and provide a phone number/address.

If the business has a coupon or special, they can have it linked to their business on the website for no additional cost. Watching the coupons come back in for services and goods is a great way to see neighborhood participation.

Level 2

Place an ad in the neighborhood newsletters. The newsletters are distributed electronically online and in paper copies at neighborhood businesses.

- Business Card Size \$25
- Quarter Page Size \$40
- Half Page Size \$60
- Full Page Size \$100

The business should provide an image file of the ad or text of what the ad should read.

Level 3

While the newsletter is active, the business can also add the option to have their ad displayed on the website in a rotating banner image on the “Business Members” and “Newsletters and Events” pages. When neighbors receive notification of a new newsletter, they will be shown a business link that they can click for more details.
